

CAMPING SERVICES 2022 FINANCIAL ASSISTANCE APPLICATION

The Y strives to make our camps available to all, regardless of your economic background. While campers are expected to pay their fair share, financial support for camp is available. The amount we can offer is based on family size, gross income, extenuating circumstances and available funding. We are pleased to offer this financial support, which is made possible by the efforts and contributions of camp alumni, friends, and families through the Y's Annual Support Campaign. We look forward to potentially serving your camper at Foss or Mi-Te-Na this summer!
